

Kunwar Shaurya Pratap Singh

Aspiring Full Stack Developer | Java & React Enthusiast

About

I am a Computer Science student with a passion for software development, especially in Java and Full Stack Development. I enjoy building projects that solve real-world problems.

Skills

- Java (Spring Boot)
- React.js
- HTML & CSS
- Git & GitHub
- Python (Basic)

Projects

1. Online Shopping Cart: [View Project](#)

A Python-based console project that mimics an online shopping cart experience.

2. Photo-Shoto: [View Project](#)

A responsive sidebar navigation menu built using only HTML and CSS. This project features a sliding side panel with interactive toggle functionality using the CSS checkbox hack. It includes Font Awesome icons, hover effects, and a modern UI layout—all without any JavaScript.
